

“FoodNanny Application User Guide”

Logging In

To log in if you have already downloaded the most recent version of the mobile app, enter your username and password.

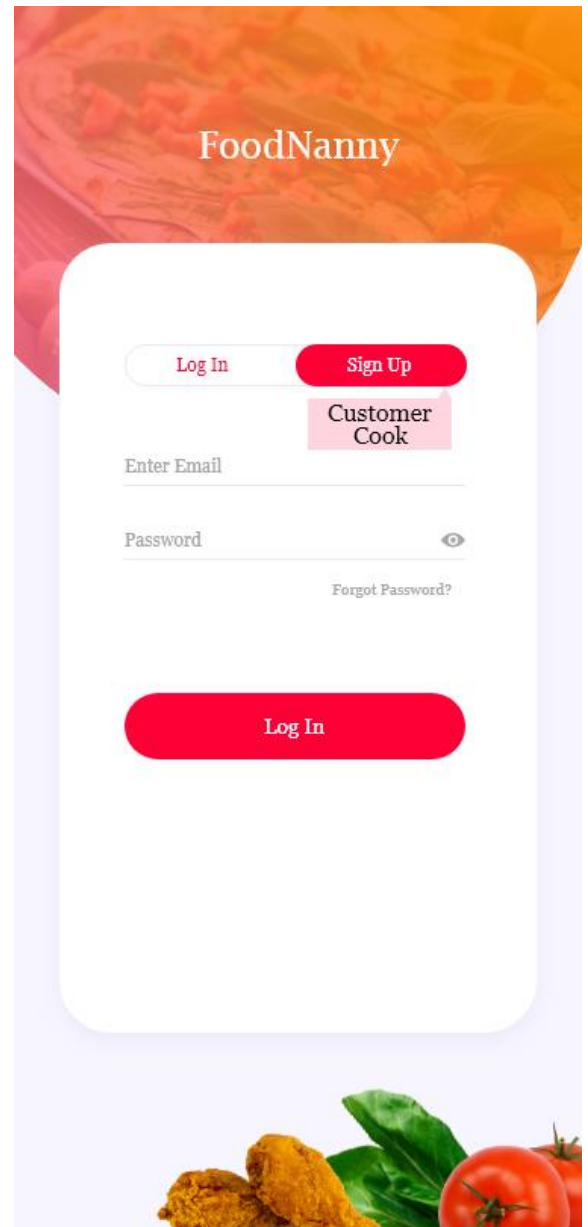

If you are a new user, click the **"Sign Up"** link to finish the procedure.

Signing Up

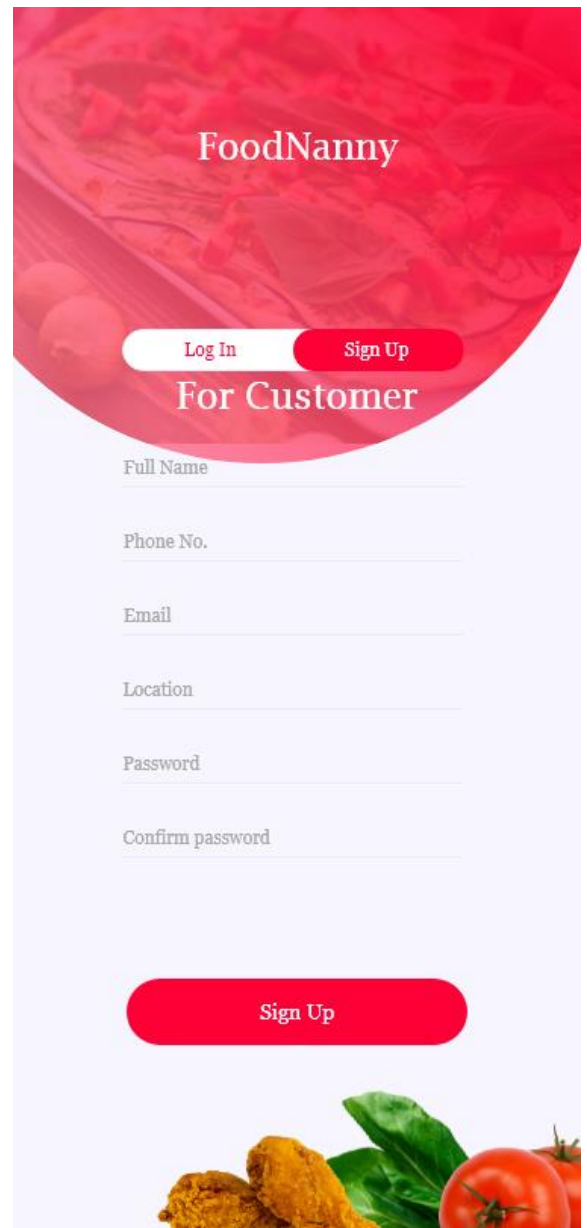

After clicking on the Sign-Up link,
You will be provided with
the dropdown list where you will
have 2 options to select:

- i) Customer
- ii) Cook

The image shows a mobile app interface for 'FoodNanny'. At the top, there's a header with a background image of a bowl of food and the text 'FoodNanny'. Below the header is a white rounded rectangle containing the sign-up form. The form has two buttons at the top: 'Log In' (white with red text) and 'Sign Up' (red with white text). Below these is a dropdown menu with 'Customer' and 'Cook' as options. The 'Cook' option is currently selected. Below the dropdown are two input fields: 'Enter Email' and 'Password'. The 'Password' field has an eye icon to toggle visibility. Below the password field is a link that says 'Forgot Password?'. At the bottom of the form is a large red button with the text 'Log In'. The background of the app is light purple, and there are images of fried chicken, basil, and tomatoes at the bottom right.

Signing Up as a Customer

After clicking on the Sign-Up link as a customer, you will be redirected to “**Customer Sign-Up**” page where you will need to insert your information like full name, phone number, email, location and desired password.

The image shows a web page for 'FoodNanny' with a red header featuring a salad. Below the header, there are two buttons: 'Log In' and 'Sign Up'. The 'Sign Up' button is highlighted. Below the buttons, the text 'For Customer' is displayed. The main content area is a light purple color and contains a sign-up form with the following fields: 'Full Name', 'Phone No.', 'Email', 'Location', 'Password', and 'Confirm password'. Each field has a corresponding input line. At the bottom of the form is a large red 'Sign Up' button. The footer of the page features an image of fried chicken, green basil leaves, and red tomatoes.

Home Page for Customer

From the “**Home**” screen, you can choose the food which you want to order or you can search for food from the “**Search Bar**”.

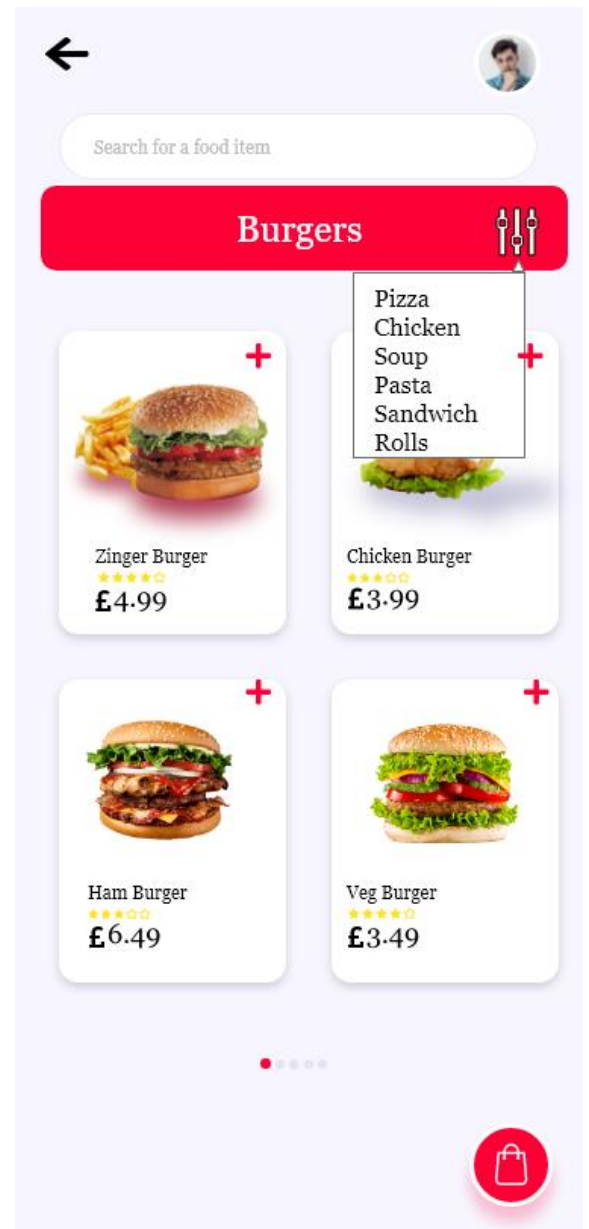

There is a categories section where you will be displayed all the available categories, and the items of the selected category will be displayed below it.

Category Page for Customer

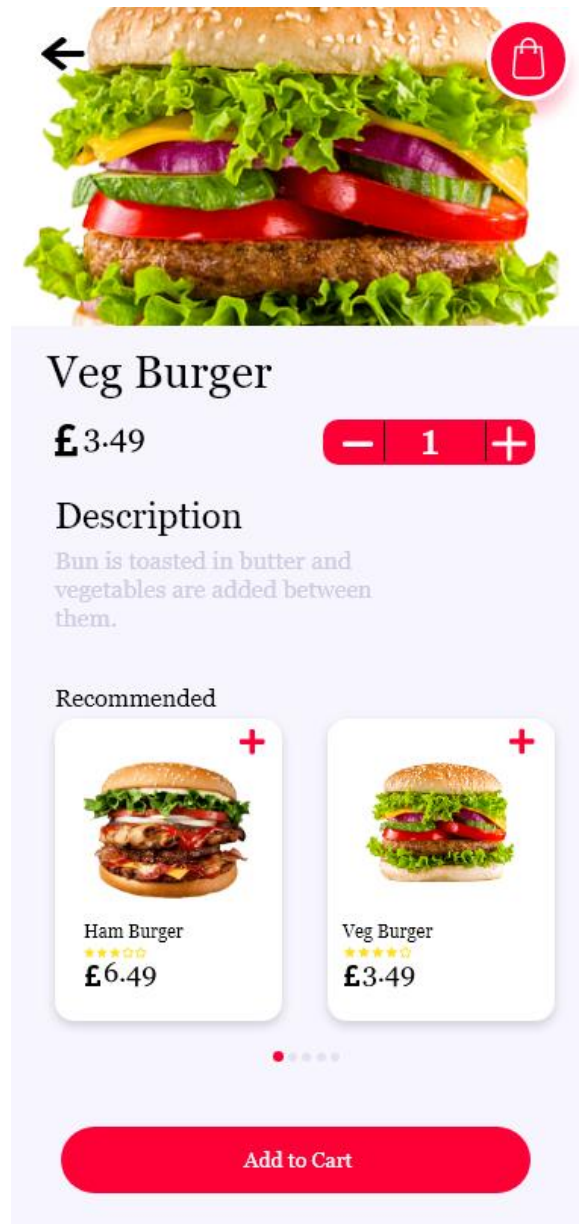

In the “**Category Page**”, the items will be displayed in their respective categories.

And also, by selecting the filter button, we can switch to another category.

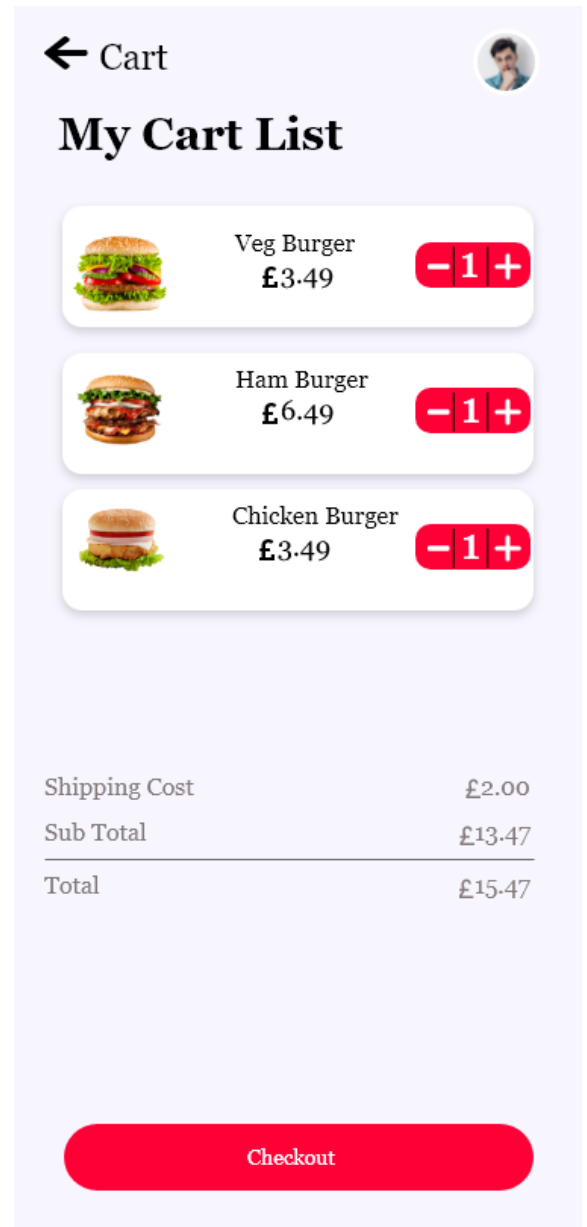

Item Page for Customer

Whenever the customer selects any of the items, it goes to the “**Item Page**” where they can select the desired quantity. And finally, select the “**Add to Cart**” button.

MyCart Page for Customer

On the “**MyCart Page**”, all the selected items are displayed for final review. And also, the user sees all the details including the shipping cost. After verifying the total amount, the user can click on the “**Checkout**” button.

Checkout Page for Customer

The “**Checkout Page**” address is accessed using API which the user entered during Sign-Up. But they can also change it manually. Finally, the user needs to select the payment method and click the “**Place Order**” button.

Sign up for Cook

After clicking on the Sign-Up link as a Cook, you will be redirected to **“Cook Sign-Up”** page where you will need to insert your information like full name, phone number, email, location, desired password, and upload a document for verification as a home cook.

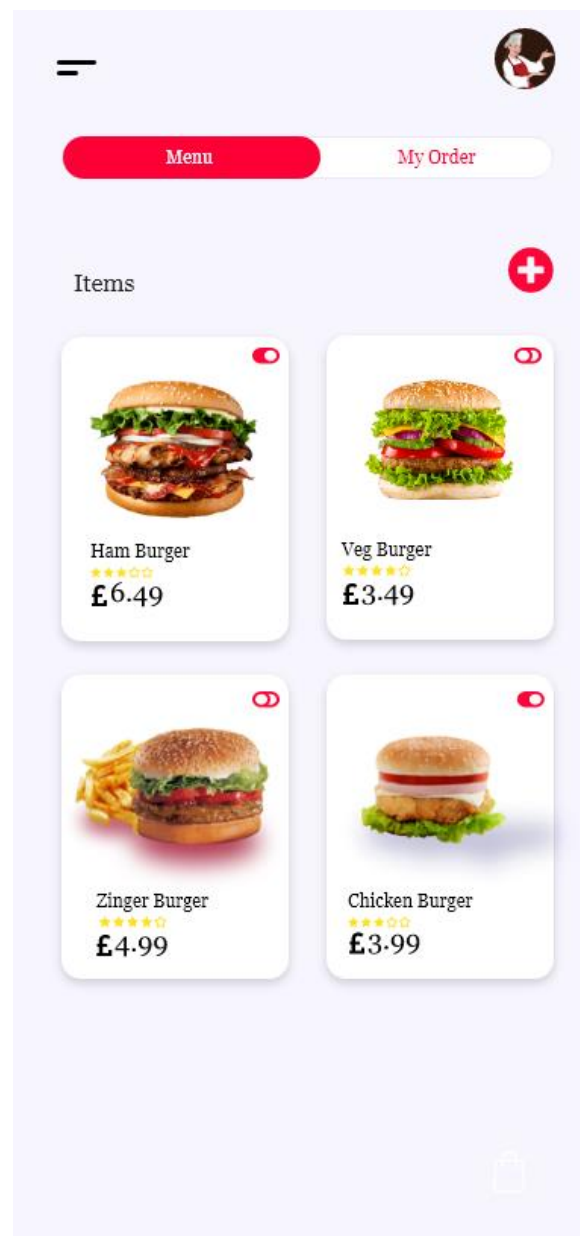

The image shows a web form for signing up as a cook on the FoodNanny platform. The form is set against a light purple background. At the top, there is a red circular graphic containing the text 'FoodNanny' and 'For Cook'. Below this, there are two buttons: 'Log In' and 'Sign Up'. The 'Sign Up' button is highlighted in red. The form fields are as follows:

- Full Name
- Phone No.
- Email
- Location
- Password
- Confirm password
- Upload CV (with a document upload icon)

A large red 'Sign Up' button is located below the form fields. At the bottom right of the form, there is a decorative image of fried chicken, basil leaves, and tomatoes.

Home Page for Cook

After the cook gets verified, they can log into their “**Home Page**” where they will have a “+” button for adding items to their menu. The items will be displayed on the menu.

Add Menu Page for Cook

After they click on the “+” button they go to “**Add Menu Page**” where they will need to add the item name, category, ingredients, price, and upload an image. And finally, click on the “**Save Item**” button. After the approval by admin, the item gets listed in their menu.

Cook Order List Page

Whenever the cook clicks on the “**My Order**” button, the order list is displayed. It contains the name, time, and state of the order. There are 4 states of order:

- i) Pending
- ii) Preparing
- iii) Rejected
- iv) Cooked

At first, by default, it is in a pending state and the cook can manually select the state through the dropdown list for making changes.

Cook Order Page

When the cook selects any order, it redirects to the **“Cook Order Page”** where the items and quantity are displayed as per order. And cook then changes the state according to his preference.
